

## Daily Rhythms

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Verses I read							
Things I prayed about							
Pursuits of Christ							
Productive activities							
Something that was difficult							
Something I learned/heard/felt/received							

<b>Reminders</b>	This is NOT how we earn grace	White boxes are OKAY	God will NOT love you any more or less after this week	This is a TOOL to stay close with God	God does NOT grade your week	Daily rhythms WILL change your walk of faith	How you use your time in life MATTERS
